PEACEKEEPER™  
CAUSE-METICS™

I am a peacekeeper.  
You can be one too!

### kind to others

PeaceKeeper Cause-Metics is the first cosmetics company to give donations to urgent human rights issues for women globally.

### kind to yourself

PeaceKeeper is proud to produce one of the cleanest lines of cosmetics in the beauty industry. As a company committed to the well-being of women, we pride ourselves on not manufacturing anything with Parabens, FD&C Coloring, Artificial Coloring or Fragrance, Toluene, Formaldehyde, Acetone, Phthalates, Synthetic Preservatives, Mineral Oils, Sodium Lauryl and, of course, no animal testing. Peacekeeper products are colored with natural minerals from the earth!

Now That's Beautiful!™

Our V-Day Lip Gloss gives proceeds to V-Day's movement to end domestic violence and our PeaceKeeper UNIFEM Lip GLOSS gives proceeds to the United Nations Development Fund For Women. Proceeds from Eternal Equity Gloss go towards Micro Credit Enterprises, which funds a woman who lives on a dollar or less a day in a trade that is sustainable.

## french manicure kit

PeaceKeeper's **French Manicure Kit** consists of our Nature's Cuticle Oil to nurture your nails, Paint Me Eternal Top/Bottom Coat, Paint Me Tranquil and Paint Me Tender. You will also find our nail guides to insure that the opaque white tip is applied perfectly.

## nail paint

PeaceKeeper Nail Paints are probably some of the cleanest long-wearing nail polishes on the planet! Our nail paints have indigenous botanical Argan Oil from Turkey which is high in amino acids. And, our top/bottom coat which is called Paint Me Eternal has vitamins A & E along with amino acids to nurture the nails. PeaceKeeper's Nail Renewal Oil is a highly nurturing combination of Sweet Almond Oil, Ginseng Root Extract, Myrrha Extract, and Vitamin E for instant revitalization of cuticles and nail surface.

## nail paint remover

**Eco-Easy™ Nail Paint Remover** is made from natural Fermented Sugar Beets, Rosemary, Spearmint, Glycerin and Water and removes any brand of nail polish. The days of alcohol and acetone are over with this revolutionary formula.
